## FIRE DRILLS AND LOCKDOWNS

It is that time of year again when we practice fire drills and talk about lockdowns. Next week, we will prepare the students for fire drills and ensure they know what the alarm is for and how to evacuate the school safely. They will have ample preparation to ensure this is not a scary experience for them. The following week we will talk about lockdowns. Please see p.9 of the [Back to School Guide](#) for more details.

## WELL-BEING

Using tools and resources from [School Mental Health Ontario](#), we will focus throughout the year on developing resiliency skills, managing stress and building positive relationships.
