DELTA BINGO funds support learning at
Westmount P.S.

Delta Bingo continues to generously help
us raise funds for technology, special
activities and projects for our school .

Now that the Delta has returned to
in-person attendance, all organizations
that receive funds are responsible to send
volunteers to help out.

Here are the dates and times assigned to
Westmount P.S.:

Each shift is 2 hours and volunteers must
complete an online training module prior to
the date selected.

***Please let me know if you are able to
volunteer for one or several shifts! We
need 2 volunteers per date.***

We must meet this volunteer commitment
to continue to receive funds. This is our
biggest fundraiser at Westmount.

THANK YOU!

April is an important month as we continue
to focus on sustainable actions to protect
the environment. As spring approaches
(we hope), classes will be engaging in
various planting and conservation projects.
