

WESTMOUNT AVE P. S. HOME OF THE WIZARDS

MAY 2022

IMPORTANT DATES TO REMEMBER:

- May 3 Westmount Bookstore
- May 4 Welcome to Kindergarten
- May 5 Parenting for Positive Mental Health Virtual Session 7PM
- May 18 School Council Meeting
- May 25 Wizard Wednesday
- May 26 Dental Screening (PHU)
- May 23 Victoria Day No School

WELCOME TO KINDERGARTEN OPEN HOUSE May 4th 4-5 PM

We are very excited to meet and welcome our newest future students and families. Students will explore their new classroom, meet the educator team, and engage in learning activities. Parents will participate in a Q&A to learn more about this exciting milestone for their children.

Please call the school to register if you have not already enrolled your child for September 2022.

We can't wait to meet you!

PARENTING FOR POSITIVE MENTAL HEALTH VIRTUAL SESSION May 5th 7-8 PM

All caring adults are welcome to register at the following link:

bit.ly/pineparentpresentation

With a focus on attunement, connection and setting limits, the webinar will help parents/guardians understand their children's behaviours and development in order to respond with intention and promote mental wellness and growth. Participants will gain an understanding of their parenting style and the challenges parents/guardians face when children push back.

VOLUNTEER MONTH

Volunteer Week was April 24th - 20th

Volunteers make a difference to support student success and enhance the quality of Rainbow Schools.

We extend a heartfelt thank you to our many volunteers for their continued contribution.

Special thanks to our School Council members and our Bingo volunteers!

A special shout out to our Kindergarten lunch hour supervisors, Sylvie and AshleyAnne! Not only do they do a great job with the kids every day bringing love and enthusiasm to their role, they devote countless volunteer hours to helping out around the school. We appreciate you!

WESTMOUNT AVE P. S. HOME OF THE WIZARDS

April has been a busy month for environmental awareness at Westmount P.S. We are building actions that will become habits! Check out some of the initiatives happening around the school.

EARTH DAY is every day!

Messages about caring for our planet are everywhere around the school.

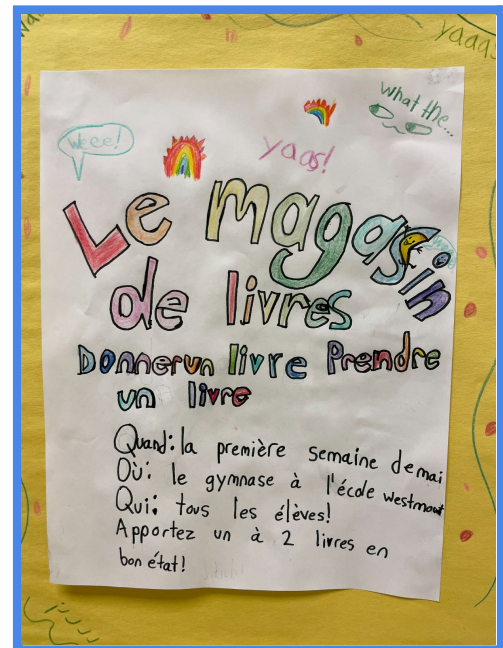

Thank you to Mme Rees' Gr.2 class for doing a **SCHOOL YARD CLEAN UP!** We invite all families to start a community clean up in your neighborhood. Let us know if you do and we will add you to our Ecoschools plan.
